**Reason for changing the transaction limits:**

**(supporting documents such as contracts, invoices must be provided)**

I hereby request ConnectPay to set the following transaction limits in online banking:

**In case of increase due to large one-time payment request, limit to be opened for no more than for 2 business days.**

I am aware and undertake all risks, expenses and possible damages, which may arise from implementing this instruction.

The value of the limit(s) not specified in this order is to remain unchanged as long as the single transaction limit is less or equal to the customer's daily limit and/or customer's requested daily limit is less or equal to the monthly limit.
